

A Note from the Editorial Staff

I would like to express my extreme gratitude to all the reviewers who make the Ohio Communication Journal a quality publication. Without their hard work and dedication, this would not be possible. I would also like to acknowledge Editor Nicole Blau, who has not only been a pleasure to work with, but who has continued to mentor me through the review and editing process. I'm very thankful for my experiences thus far, and look forward to learning more in the future.
