

A Note from the Editorial Staff

I would first like to thank the reviewers for their dedication and service to the *Ohio Communication Journal* and the Association. This publication could not exist without your commitment. I also want to express my gratitude for Editor Nicole Blau, who is a great colleague and mentor. I have learned a lot about the editing and publishing process from you, and I look forward to taking those lessons with me into the editing role.

Amber L. Ferris, Ph.D.
Assistant Editor, *Ohio Communication Journal*

As my tenure as Editor of the *Ohio Communication Journal* comes to a close, I am grateful to have worked with such a wonderful editorial staff and Executive Board. I am very proud of this publication and this would not be possible without the teamwork and service of all involved. Mostly, I have been honored to work with Dr. Amber Ferris. I am confident that Amber will continue to do excellent work as she takes over editorship. I look forward to watching the *Ohio Communication Journal* grow in the future.
